### **Food Workers Overwhelmingly Choose Teamsters**

#### **Local 703 Welcomes Golden Country Oriental Foods Workers**

Golden Country Oriental Foods workers voted to join Teamsters Local 703 on May 18 by a vote of 35-7.

“The Teamsters are very happy to welcome our new members to the union,” said Thomas W. Stiede, Teamsters Local 703 Secretary-Treasurer. “The workers at Golden Country have been very motivated to make positive changes for themselves and their families from the very beginning of this campaign.”

The new members work as stockers, order pickers, drivers, helpers, loaders, unloaders, checkers and warehouse employees for the wholesaler and distributor of grocery, restaurant and food service products.

“The Golden Country workers have been living with no pension or health insurance and low wages for too long,” said Rick Becerra, Teamsters Local 703 Organizer. “We are very excited to start negotiating a winning contract on July 23.”

Teamsters Local 703 represents more than 4,800 members in warehouse, landscape and delivery industries.
