### REGISTER AT NO-COST FOR ILLINOIS TEAMSTER LICENSE PLATES

#### Joint Council 25 Covers Early Fees for First 1,500 Applicants

Teamsters Joint Council 25 needs 1,500 applications to establish the first-ever specialty license plates honoring Teamster men and women across Illinois.

**Teamster members and supporters simply need to complete the attached application form and return it to the Joint Council to secure the new license plates.** Joint Council 25 will cover a \$25 registration fee for the first 1,500 applicants and help members get one step closer to taking their union pride on the road.

“The Teamsters license plate not only reminds everyone on the road of the strength of our union, but it offers Illinois drivers a special designation to call their own,” said John T. Coli, President of Joint Council 25. “At no cost, Teamsters and their families can help guarantee Illinois residents recognize our union on every street and highway statewide.”

After Joint Council 25 receives 1,500 completed applications, the Secretary of State’s office will begin producing the specialty license plates. Applicants will be notified when plates become available. It will only cost \$15 for applicants to pick up their final license plates; anyone who registers after the first 1,500 applications have been submitted will have to pay \$40.

“All you have to do is fill out your application and return it to the Joint Council; it’s that simple,” said Coli. “It only takes a minute to complete the process and show your Teamster Pride.”

Teamsters and supporters have until October 29, 2011, to return completed applications to the Joint Council. Additional applications can be downloaded at [www.ChicagoTeamsters.org](http://www.ChicagoTeamsters.org). Completed forms may be faxed to (847) 292-1412 or e-mailed to Will Petty at [will@chicagoteamsters.org](mailto:will@chicagoteamsters.org).

A majority of all funds raised by the specialty license plates will be donated to the Teamsters Joint Council 25 Charitable Trust.

Teamsters Joint Council 25 represents more than 100,000 hardworking men and women throughout Illinois and Indiana.
